

# Do the **Local Thing**

We at the Woodward News understand the effects our current situation has on our economy and especially our local businesses. We would like to offer you a partnership opportunity to help remind our customers to continue to shop and support our local businesses during this time.

## ***WE Want to Invest in YOU and your business as you invest in ours!***

When we work together we will match your investment! We have designed a variety of packages for any budget! We will include a wide range of promotional advertising too!

**With over 70,000 viewers to our website
