

Creative Quarantine Contest

*With all the time on
your freshly washed
hands...*

The Valdosta Daily Times
wants to know what
creative, quirky or
unconventional activities
you and yours have come
up with while at home!

This can include *weird*
art projects, *new*
hobbies, home-school
teaching tactics or any
other creative way to help
pass the days!

Each week the VDT Staff
will choose their favorite
entry and the winner will
receive a \$25 gift card to
the local business of
their choice!
