<<< will be here as well.

Gainesville Daily Register will be running a special page every Thursday & Saturday for our local businesses to communicate with our community as to the changes they had to make due to the COVID-19 pandemic.

As most have laid off staff, closed dining rooms, only able to do curbside pickup, promoting sales via their Facebook page or website!

Their revenue has severely dropped and need our help!

We have drastically slashed our advertising cost but that still isn't enough!

We are reaching out to our larger core businesses to see if they could help by sponsoring a full page ad where any business that has been impacted by COVID-19 can advertise the changes they had to make to obey the request to help stop the spread of the Coronavirus.

### **SPONSORSHIP COST:**

**#1 Sponsorship** - Sponsor 1 whole page \$695

(Sponsor will get a 6 x 2 full color sponsorship ad)

**#2 Sponsorship** - Split the cost with another Sponsor \$347.50

(Each Sponsor will get a 6 x 1 full color ad)
